CHEMICAL PEELS

PIGMENT BALANCING (50 MINS)

This unique SkinCeuticals protocol targets discoloration, photodamaged skin, and accelerates skin renewal for a brighter complexion. We begin with a cleanse using Gentle Cleanser and Simply Clean, followed by prepping with Sanitizing Booster and Occlusive Ointment. The Peel is applied and neutralized after a few minutes. C E Ferulic is then used to protect against environmental damage, and the treatment is completed with a Phyto Corrective Masque to soothe the skin.

Disclaimer:

Before you begin your first ever laser treatment at LAMURE we must perform a Patch Test. The Patch Test is a free 10-15 minute procedure and is performed only once, it also must be done for a minimum of 24-48 hours before your actual treatment. This is to ensure your skin does not have an allergic reaction to the laser.

Genesis Add-Ons

Neck	Chest
£35	£35

Experience the transformative power of Laser GENESIS at LAMURE. This non-invasive treatment stimulates collagen, targeting acne, rosacea, redness, fine lines, and scars. Ideal for all skin types, it offers a smoother, clearer complexion with minimal downtime. Achieve healthier, more youthful skin with Laser GENESIS.

PEARL

FACIAL

	One Session	Three Sessions	Six Sessions	
Deep Wrinkles	£400	£1,080	£1,920	(60 MINS)

Ablative Add-Ons

Neck	Chest
£35	£35

Experience the transformative power of our Fractional Ablative Laser treatment at LAMURE. This advanced procedure resurfaces your skin by burning the top epidermis layer, stimulating collagen production to enhance texture, elasticity, and firmness. It smooths fine lines, reduces wrinkles, minimizes acne and surgical scars, treats pigmentation and sun damage, and more for a smoother complexion. Achieve the most powerful laser facial we have at LAMURE.
